Great White Barrier is a Class A, firmly woven, and puncture resistant polypropylene laminated fabric. GWB is designed as a highly effective vapor barrier that has many applications such as an under slab vapor barrier, encapsulated or sealed crawl spaces, horizontally or vertically applied for waterproofing foundation floors and walls, crawl space vapor barrier, and other highly effective applications.

	GW 15 Classification	7.6 oz	Test
Vaper Perm	Class A	0.037	ASTM e96/e96M-16
Tensile Strength		158.7 lbs/in2	
Elongation		23.8 %	ASTM D7003/D7003M
Thickness		15 mil	
Weight		7.6 oz/yd2	
Color		White/Grey	
Materials	Virgin	100%	
Flame Spread	Class A	20	ASTM E84-20
Smoke Developed	Class A	60	ASTM E84-20

	GW 12		
	Classification	5.8 oz	Test
Vaper Perm	Class A	0.037	ASTM e96/e96M-16
Tensile Strength		114.8 lbs/in2	
Elongation		19.2 %	ASTM D7003/D7003M
Thickness		12 mil	
Weight		5.8 oz/yd2	
Color		White/Grey	
Materials	Virgin	100%
